

Sept. 21
Periods 1,2,4,6

ATTENDANCE

Come In Quietly.

Place Homework (pg. 34 and the Yellow Sheet) on your desk.
Check your answers with your table partner. Be ready to ask questions.

Class Work -
AIMS

Comparing and ORdering Rational Numbers, pgs. 45. 48

$$7.3 = 7\frac{3}{10}$$
$$\frac{73}{10}$$

Homework- 30 minutes/week in IXL on 6th grade skills or above.
Focus on the skills YOU feel you need help in.

Class Notes- Sept. 21

Comparing and Ordering Rational Numbers

5, 6, 7...

-0.01

Changing fractions/mixed numbers into decimals

To change a mixed number into a decimal:

1) If the denominator is a factor of 10, 100, or 1000, find the equivalent fraction.

$$\frac{3}{4} \xrightarrow{\times 25} \frac{75}{100} = .75$$

$\xleftarrow{\times 25}$

$$. \underline{666}$$
$$1. \overline{666}$$
$$\approx 1.67$$

2) If the denominator is not a factor of 10, 100, or 1000, then you need to divide the numerator BY the denominator.

$$\frac{3}{8}$$

$n \div d$

$$\begin{array}{r} 8 \overline{) 3.0} \\ \underline{-24} \\ 60 \\ \underline{-56} \\ 40 \end{array}$$

$$.375$$

$$0.2\overline{163}$$

$$2\frac{2}{3}$$

$$\text{C} \rightarrow \frac{2}{3}$$

$$2.$$

$$\begin{array}{r} 3 \overline{) 2.0} \\ \underline{-18} \\ 20 \\ \underline{-18} \\ 20 \end{array}$$

$$.666 = \overline{.66}$$

$$\approx .67$$

$$4) \quad 6.75 = 6 \frac{75}{100} \quad \frac{a}{b}$$
$$\frac{675}{100}$$

$$6) \quad -.35 = -\frac{35}{100} = -\frac{7}{20}$$

This might help with problem #2 on pg. 34
(classwork for 9/20)

$\frac{\text{part}}{\text{whole}} = \frac{0}{1}$

Remember

A rational number is any number that can be expressed as the quotient or fraction $\mathbf{a/b}$ of two integers, a numerator \mathbf{a} and a non-zero denominator \mathbf{b} . Since \mathbf{b} may be equal to 1, every integer is a rational number..

$$\begin{aligned} -0.35 &= -\frac{35}{100} \\ &= -\frac{7}{20} \end{aligned}$$

$$\begin{aligned} 6.75 &= 6\frac{75}{100} \\ \frac{27}{4} &= \frac{675}{100} \end{aligned}$$

Sept. 21
Period 5

Come in quietly.
Place homework on your desk.

Class Work - The Coordinate Plane, do not complete
14.
